

SCHOOL IMPROVEMENT PLAN 2020 - 2023

LEARNING & TEACHING

We will ensure that the quality of teaching across the school is at least 'good'.

We will continue to develop the quality of learning through systematic collaboration and pedagogy which is research informed

We will ensure that all pupils make appropriate progress in literacy and numeracy

We will develop effective practices in the teaching & learning of the Four Core Purposes

We will CHALLENGE all pupils to make best possible progress

ACHIEVEMENT

MAGNIFY

We will continue to develop the school as a learning organisation with embedded, ongoing self-evaluation

We will develop systems to work collaboratively and share best practice.

We will link all performance systems to national, local and whole school priorities.

We will become one of the best schools in Wales.

ETHOS

We will provide opportunities for developing our Christian Faith for all members of our community.

We will develop the future leaders of schools in Wales.

We will ensure that all pupils achieve their potential in a caring, kind and enriching environment.

We will increase opportunities for bilingualism for all members of our community.
